## Convenient and Affordable Child Care Options

At Knowledge Learning Corporation (KLC), we understand parents' need for high-quality child care at affordable rates. That's why we've teamed up with your employer to provide you access to valuable child care savings. You may be eligible to receive a **10% child care tuition discount\*** for children preschool through age 12 at participating community based KLC child development centers (please note this discount does not apply at KinderCare or Mulberry child care centers).

### High-quality curriculum

KLC's curriculum features:

- **Age-appropriate learning programs** tailored to each child's developmental needs and interests
- **Hands-on activities** that encourage creativity and foster skills for school and life success
